Reiki I Introduction to unlimited benefits of Reiki for personal and professional use. Activate your innate ability to heal. Learn the Usui Reiki Natural Healing System, its origins & history. Receive attunements activating your hands to facilitate Reiki. Experience mind/body/spirit balance and vitality with a daily Reiki self treatment and on the spot use. Practice/Receive a full chair treatment for others.

Reiki II Deepen in Usui's original Reiki symbols supporting one pointed focus, refined intuitive abilities, and aligning to your inner state of wholeness. Strengthen physical/mental/emotional healing for self and others & perform remote/ distant healing. Receive additional attunements, full treatment, supervised practice, along with additional tools to bring Reiki into all personal, professional, and clinical settings.

A self care/self loving weekend that will enrich your innate gifts, current practices & integrate into any profession. Current Reiki Practitioners will be benefit from additional training and attunements.

Eleonore Koury has been teaching Reiki since 2005. She specializes in a synthesis of Japanese and Western Reiki Teachings, bringing knowledge and experience from the origins of Usui Reiki, having traveled to Kyoto, Japan. Her trainings are in depth, supporting individuals in developing a strong personal practice, along with bringing Reiki into the professional, corporate and clinical setting. Eleonore is a Usui/ Tibetan/ Karuna Reiki Master Teacher, Jikiden Reiki Practitioner, Kundalini Yoga Teacher and Author. She teaches Reiki globally & leads sacred journeys to Japan, Ireland and Maui.
